Chairman's Welcome

On behalf of the Toohey's New Group XI board it is my pleasure to welcome everyone to Caltex Park Dubbo for the staging of the 2018 Grand Final day.

Tim Ryan's, Dubbo CYMS side have set the standard this year, so far undefeated and a game away from putting their hand up for the Clayton Cup, they deserve to be favourites, but Jake Grace's Magpies have hit form at the right time of the season. The game should have everything! I would like to take this opportunity to wish both clubs all the best.

The Under 18 fixture is between Forbes Magpies and Dubbo CYMS. We will witness some very fine young footballers from both sides. The record of both teams supports their credentials to be playing the final game of the season. Forbes undefeated and Dubbo CYMS winning their way to the final game of the season from 4th spot. The game really has all the ingredients to be a titanic struggle and patrons will witness this high-class contest in which selecting a winner is indeed a difficult task, but may the strongest team prevail.

Dubbo CYMS take on the Dubbo Macquarie in the Reserve grade fixture. We are guaranteed a game where no quarter will be asked for and no quarter given. May the best team win!

In League Tag the undefeated Parkes Spacecats play Dubbo Westside. This should be a close game with the skills of the players continuing to improve each year.

May I sincerely thank all participating clubs, their individual sponsors, volunteers and supporters for making our competition one of the strongest in CRL, and although several clubs battled hard to meet their obligations I acknowledge their perseverance and dedication.

Toohey's Limited has recently extended their long association with our Group, being the major sponsor of our competition and to their Regional Manager Mr Brian King I convey the Group's whole-hearted appreciation and look forward to his companies' ongoing patronage.

To Chairman John Millar and his directors of the Dubbo RSL Memorial Club, I also express our Group's thanks for sponsoring our Under 18s competition and always willing to promote Rugby League.

I would like to recognise and congratulate our young referees who did a first-class job this year. Without referees we wouldn't have a game. I will take the time today to ask our supporters to accept the fact that referees can only see it as they see it and sometimes that's different to people in the crowd. Please remember the Code of Conduct.

Refereeing in today's society is certainly character building and to all our whistle-blowers we could not operate without your support of our code and we look forward to your associations continued support in 2018. To each of our Group's subcommittees, coaches and managers who have professionally controlled business through their respective portfolios special congratulations is extended for your invaluable assistance.

To all media outlets that spread the message throughout the Central West we owe you all a debt of gratitude and on behalf of all league teams say a simple thank you. A special thank you to Nick Guthrie and the Daily Liberal for bringing our game to the world. Thanks to the Daily Liberal and Mel Pocknall for allowing us to use their magnificent photographs at our 2018 Presentation Night.

To the Group XI Board thank you for your support. Unfortunately, we don't have a crystal ball, but we do try to be fair to all clubs and play by the rules.

Lastly, to the supporters of Rugby League and in particular Group XI I would like to thank you for your financial support of the competition. Without the paying public we wouldn't have a game. I encourage you on behalf our all Group XI clubs to continue your support in 2019.

Thank you!
